Note: While anyone who sees this tutorial is encouraged to add their observations to our "#AOPcitsci Observations" project, <u>Only</u> participants from 2017's Boeing Teaching Institute (BTI) should add their observations to the "BTI 2017" iNaturalist project, as shown below.

Adding Observations to Projects and Doing Batch Editing

How to Add Observations to a Project using the iNaturalist App on an Android

1) Select the observation, 2) click the Pencil to edit, 3) Scroll down & click on "Projects", 4) Select the "BTI 2017",

5a-b) click the check mark to save this change

How to Add Observations to a Project using the iNaturalist App on an iPhone

1) Select the observation, 2) click "Edit", 3) Scroll down & click on "Projects", 4) slide to Select the "BTI 2017",

5) arrow back 6) click "Done"

How to Add Several Observations to a Project using the iNaturalist Website

go to iNaturalist.org in a web browser, 2) click to Log in in the top right corner 3) Click "Observations" below your profile, 4) Click "Batch Edit" 5) Select all the observations taken during BTI, 6) Click "Add to Project" and click the "Add" button beside the "BTI 2017", 7) click stop editing
